BEAUTIFY CAROLINA FOREST RECEIVES OUTSTANDING COMMUNITY AWARD

Beautify Carolina Forest was honored with the Outstanding Community Award on Tuesday, November 29th during the 4th annual Make A Difference Day celebration in the McCown Auditorium in Conway, SC. The award, presented by Bo Ives, Chairman of Keep Horry County Beautiful, was given to Beautify Carolina Forest in recognition of voluntary commitment and selfless dedication to protect the natural beauty of Horry County. Keep Horry County Beautiful, a Keep America Beautiful affiliate, is a subcommittee of the Horry County Parks and Open Space Board and is overseen by a nine-member board.

“It’s an honor for our organization to be selected to be the recipient of this award. Our volunteers have put in hundreds of hours and work hard to keep Carolina Forest beautiful by caring for the landscaped medians, picking up roadside trash, and other beautification efforts in Carolina Forest”, said Richard Skrip, president of Beautify Carolina Forest. “We thank everyone that has contributed to make this happen and make our organization a success”.

Beautify Carolina Forest, incorporated as a nonprofit charity less than a year ago, has made an impact in the appearance of the Carolina Forest community. “We’ve accomplished quite a bit in a short amount of time. Our mission is to enhance the natural beauty of Carolina Forest and we’ve done so in several ways. We’re an all-volunteer group that relies on donations and grants to complete our mission”, said Skrip.

If you would like to participate in our monthly roadside clean-up and other beautification projects or submit a beautification idea, visit the Beautify Carolina Forest web site at www.beautifycarolinaforest.org, or our Facebook page, Beautify Carolina Forest. Donations can also be mailed to: Beautify Carolina Forest, PO Box 50411, Myrtle Beach, SC 29579, or made through Paypal on our web site or Facebook page. With your help, we will continue to beautify Carolina Forest!
